Position Description: Staff Physician

Position Location: Garden City, KS

General

Staff physicians are directly responsible to the Medical Director. A staff physician may also be required to serve as the site director for all health care delivery services at a particular site.

Qualifications

A license to practice medicine in the State of Kansas or a Federally-Active License is required. Board certification or eligibility is desirable. Desire and willingness to work with people of various races, cultures, and socio-economic groups is required. Bilingual Spanish-English preferred.

Responsibilities

Program

1. Assure that patient care and confidentiality protocols meet PHS guidelines
2. Provide direct patient care, treatment, and health education
3. Assure site compliance with all medical/pharmaceutical regulations
4. Insure timely transfer of patient/other records and documents
5. Meet UMMAM productivity guidelines
6. Maintain current, complete, and appropriate documentation of all patient care, treatment, and related matters as required by law and UMMAM regulation
7. Conduct peer review and other activities as required by PHS guideline
8. Other duties as from time to time may be assigned or required

Personnel

1. With Chief Operations Officer, evaluate midlevel practitioner staff if requested
2. Provide appropriate supervision for midlevel practitioners if requested
3. Provide appropriate supervision for health professions students/interns as requested
4. Other duties as from time to time may be assigned or required

Other

1. Maintain required continuing education for licensure
2. Make health education presentations to community groups if requested and as time allows
3. Other duties as from time to time may be assigned or required
