**National, State and Community Activities**

Employees at UMMAM take pride in the work that they do for the community. With that in mind, employees are encouraged to serve on national boards and advisory groups to stay informed and keep up to date with the issues that are important to our clients.

UMMAM is represented on:

- |   |  |
|---|--|
| United Methodist Health Ministry Fund Board of Trustees | American GI Forum  |
| Kansas Children’s Cabinet                               | Kansas GI Forum Scholarship Committee                                      |
| Kansas Comprehensive Cancer Plan                        | Kansas Association for the Medically Underserved Board of Directors        |
| National Selective Service System Board                 | Midwest Clinicians Network   |
| Kansas Hispanic and Latino Affairs Commission           | Kansas Physicians Engaged in Prevention Research Advisory Committee        |
| Ryan White Steering Committee                           | Kansas Oral Health Coalition   |
| Kansas Diabetes Advisory Council                        | Governor’s Child Health Advisory Committee Immunization Advosiry Workgroup |
| KU Latino Council                                       |  |

In addition, staff serve on the following community boards and advisory councils:

- |   |   |
|---|---|
| Community Health Coalition              | Cimarron Basin Community Corrections    |
| Community Services Council              | Women’s Coalition Against Breast Cancer |
| St. Catherine Hospital Ethics Committee | Kansas Children’s Service League        |
| Smart Start Advisory Council            |   |

### **Outreach/Special Programs**

UMMAM is home to many outreach services and special programs that enhance the lives of those in the community. These numbers are not reflected in the above numbers. Each program title is followed by a number which indicates the number of counties served by the program.

#### **Lifetime Smiles Dental Outreach (19)**

15,493 children in 59 schools/day cares/preschools were screened for visual oral decay. Of these, 4,201 (27%) were referred to a dentist for follow-up. Lifetime Smiles held sealant clinics with children and fluoride clinics were held at schools, health fairs, and UMMAM. Staff did many presentations and distributed over 30,000 toothbrushes, pamphlets, sippy cups, and other oral health items.

#### **Early Detection Works (Breast/Cervical Cancer Program) (31)**

622 mammograms; 701 CBEs; 126 abnormal/indeterminate results; 12,659 individual and group contacts for education.

#### **Southwest Kansas Diabetes Prevention and Control (4)**

Provided diabetes/nutrition teaching to 156 individuals; nutrition counseling by dietician provided to 150 individuals; screened 822 individuals; conducted 219 presentations.
